5. In order to assure the maximum benefits to the people of the Togolese Republic from the assistance to be furnished hereunder:

(b) All personnel, except citizens and permanent residents of the Togolese Republic, whether employees of the Government of the United States of America or its agencies or individuals under contract with, or employees of public or private organizations under contract with the Government of the United States America or the government of the Togolese Republic or agencies of either the Government of the United States of America or the Government of the Togolese Republic who are present in the Togolese Republic to perform work in connection herewith and whose entrance in the country has been

approved by the Government of the Togolese Republic, shall be exempt from income and social security taxes levied under the laws of the Togolese Republic with respect to income upon which they are obligated to pay income or social security taxes to any other Government and from taxes on the purchase, ownership, use or disposition of personal movable property (including automobiles) intended for their own use. Such personnel and members of their families shall receive the same treatment with respect to the payment of customs and import and export duties on personal effects, equipment and supplies imported into the Togolese Republic for their own use, and with respect to other duties and fees, as is accorded by the Government of the Togolese Republic to diplomatic personnel of the Embassy of the United States of America in the Togolese Republic.

(c) Funds introduced into the Togolese Republic for purposes of furnishing assistance hereunder shall be convertible into currency of the Togolese Republic at the rate providing the largest number of units of such currency per United States dollar, which, at the time the conversion is made, is not unlawful in the Togolese Republic.

6. The Government of the United States of America and the Government of the Togolese Republic will establish procedures whereby the Government of the Togolese Republic will so deposit, segregate, or assure title to all funds allocated to or derived from any program of assistance undertaken hereunder by the Government of the United States of America that such funds shall not be subject to garnishment, attachment, seizure or other legal process by any person, firm, agency, corporation, organization or government when the Government of the Togolese Republic is advised by the Government of the United States of America that such legal process would interfere with the attainment of the objectives of the program of assistance hereunder.

7. All or any part of the program of assistance provided herein may, except as may otherwise be provided in arrangements agreed upon pursuant to paragraph 1 hereof, be terminated by either Government if that Government determines that because of changed conditions the continuation of such assistance is unnecessary or undesirable. The termination of such assistance under this provision may include the termination of deliveries of any commodities hereunder not yet delivered.

I have the honor to propose that, if these understandings are acceptable to the Government of the Togolese Republic, the present note and Your Excellency's reply note concurring therein shall constitute an agreement between our two Governments which shall be deemed to have entered into force on 22 December, 1960 and which shall remain in force until thirty days after the receipt by either Government of the written notification of the intention of the other to terminate it, it being understood, however, that in the event of such termination the provisions hereof shall remain in full force and effect with respect to assistance theretofore furnished.

Accept, Excellency, the renewed assurances of my highest consideration.

LELAND BARROWS

His Excellency
